

L&D Mirror with Bluetooth Speaker, Round Shape

Bluetooth Speaker

Dimming Function

Touch

SKU Code: SHA5342

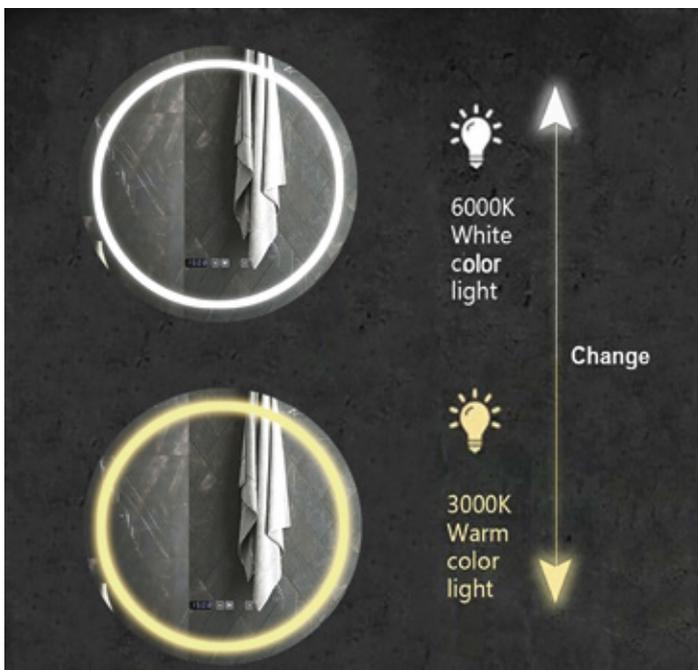

Features:

- ▶ **Fog Free led mirror:** When the mirror light is on, the defogging automatically starts. The mirror is heated at an intelligent constant temperature. After the mirror light is opened, the fog can be removed to ensure that there is a clear reflection image in the bathroom steam environment.
- ▶ **Skin Sensitive Touch System:** With the super-sensitive Touch Button you can turn on/off the light. Simple and stylish style with no visible screws or switches. Looks great in any home, restaurant, spa retail outlet, bar, commercial office, and hotel.
- ▶ **Dimmable & Color Change:** Just tap on power button to switch between 3 CCT (3000K, 4000K & 6000K) and hold the power button for a while to adjust the brightness.
- ▶ **Bluetooth Function:** Dual stereo 360-degree surround sound, you can enjoy the relaxing experience of listening to music while taking a bath after connecting Bluetooth through a smartphone and tablet.
- ▶ **IP44 Waterproof Rated:** This mirror complies with the IP44 standards, which are waterproof, moisture-proof, and rust-proof. Suitable for wet bathroom environments.

- ▶ **Hanging Method & Installation:** Size: 800mm(W) x 600mm(H), wall mounting with vertical or horizontal fitting options. Quick and simple to install by the electrician, all the units required are well packed when installed. English manual book included.
- ▶ **Excellent Energy Efficiently Light:** Illuminated mirrors adopt 6500K pure white/cool white led light which has a better quality of light distribution and focuses light in one direction, perfect for shaving and makeup. Besides, LED lights are up to 94% more efficient than traditional lighting.
