150W PREMIUM LED FLOODLIGHTS

WARRANTY 2 YEARS

SKU Code: T236

Technical Specifications

Voltage	185V-240V
CCT	6500k to 6000k
Power	150W
Body material	Aluminium
Input cable length(cm)	1 Meter
Input cable dia	3x0.75mm2, RUBBER
RA	80
P.F	0.95
Lumens	13500
IP Level	IP66
Glass Cover	Tempered Glass
Warranty	2 years
Energy Rating	A+

*POWER & LUMEN CAN BE ±10%
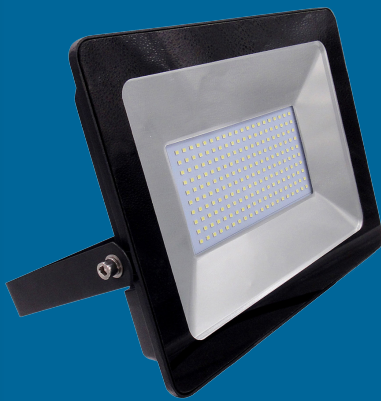

Energy efficient and high performance

Latest LED technology using Epistar SMD LED chips, the days of changing lamps every few months are a thing of the past.

LED fittings give instant start compared to the warm up times associated with metal halide and SON lamps, making them suitable for both security and general floodlighting.
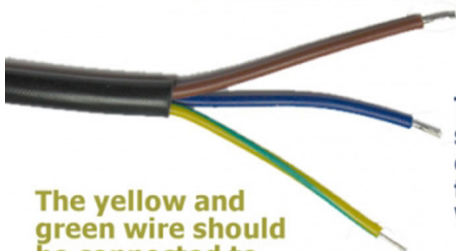

Backed by a 2 year warranty.

Warning:

For the sake of personal safety, Please cut off the power before installation!

The brown wire should be connected to the LIVE WIRE

The blue wire should be connected to the NEUTRAL WIRE

The yellow and green wire should be connected to the EARTH WIRE
