12 NON-FADING SLIDE PATTERN

4.2 WATTS

IP RATING

UK ADAPTER

Ideal Christmas, Thanksgiving, Halloween, birthday party, clubs, bars, banquet, wedding, family gathering, childrens room, lawn, trail, courtyard, family garden, etc for parties.

Product Features

- 12 non-fading slide pattern, which can be changed according to the surrounding environment; large projection area, wide-angle projection, creating a warm atmosphere.
- Using higher-end design materials and high-gloss LED beads, no radiation, the light casts soft, comfortable and natural light. A variety of cartoon patterns, unique wave effects, bring you an unparalleled experience.
- This LED landscape animated projection lamp can be widely used in Christmas, Thanksgiving, Halloween, birthday party, clubs, bars, banquet, wedding, family gathering, childrens room, lawn, trail, courtyard, family garden, etc for parties.
- The standard 12 piece slide pattern is easy to install and remove. Different styles are suitable for many festivals and occasions to better showcase your holiday spirit.
- **EASY TO INSTALL:** the projector comes a base and stake, you can choose to install it in the grass with the stake. With the stake removed, it can also be mounted to a structure using a sturdy hanging clamp and safe cable. Place projector approximately 10-15 feet from the projector surface, and after the light is turn down you may need to adjust the distance to get the best results.
