## Features

- **UNIQUE VIEWING ANGLE:** Our wireless video doorbell camera has a unique square viewing angle and a wide 110-degree field of view, allowing you to see a person from head to toe or a package on the ground.
- **Dual-Power Options:** Power the doorbell with the built-in rechargeable battery or connect it to existing wiring for continuous power.
- **SIREN & 2-WAY AUDIO:** Deter intruders with an integrated alarm triggered automatically by motion detection or through the app. Hear and speak to visitors using the built-in speaker and microphone.
- **HD VIDEO AND NIGHT VISION:** Get a clear picture of who's at your door with 1080p HD video with HDR and crisp night vision. Receive instant notifications when anyone presses your doorbell or triggers the motion sensors.
- **LARGER RECHARGEABLE BATTERY POWER:** Enjoy the convenience of 5200 mAh rechargeable batteries, which provide sufficient power for Video Doorbells for up to 120 days.
