## Wall Mirror Heater with CCT & Dimming LED Light, 450W, 600x800mm with UK plug

SKU CODE  
IH1038

3000K 4000K 6000K  
CCT SELECTABLE  
CCT Switchable  
(6000K-4000K-3000K)

## Features:

- **Simple installation:** Installation of your Infrared heating Mirror couldn't be easier thanks to its specially designed wall bracket.
- **ECO ENERGY EFFICIENT:** Infrared heaters are a healthy form of heating, because the radiant heat creates no air circulation. This is particularly good for dust allergy patients and rheumatism patients. Also fitted with advanced quick heat up and slow cool down metal heating element, you can be sure this heater is saving you money on your heating bills.
- **Skin Sensitive LED Touch System:** This illuminated bathroom mirror is equipped with Single Touch Control System. One button controls the led lights and heating.
- **Perfect Bathroom Mirror:** 3 colour temperatures are adjustable, which helps you create the most suitable makeup under different scene lights. Choose the brightness and colour temperature that suits you to avoid irritating your eyes. CRI>90, the image reflects accurately, no colour cast and distortion, showing the truest and beautiful you

- **SAFETY PROTECTION:** IP54 Rated and Advanced Overheat protection makes this heater perfectly safe for installation by a qualified electrician. This heater has a safety thermal cut-off, so it doesn't overheat, an internal tip-over switch in case the unit becomes unstable.
