Description

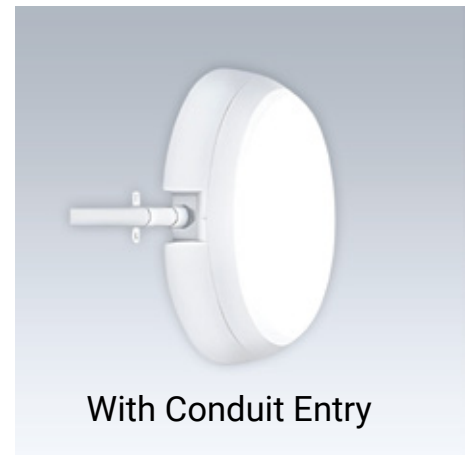

The 9-in-1 SUPERHERO LED Bulkhead offers unmatched flexibility and performance with power and CCT switchable options, robust IP65 & IK10 ratings, and a slim 320mm design. Ideal for both residential and commercial spaces, this versatile fixture is perfect for any environment, indoors or outdoors.

Features

- **9-in-1 Versatility:** Easily switch between 12W, 15W, and 18W power settings, and choose from 6000K, 4000K, or 3000K color temperatures to suit any application.
- **Robust Design:** IP65-rated for water and dust resistance, and IK10-rated for high impact resistance, making it ideal for public spaces and outdoor use.
- **Effortless Installation:** The push-fit connector allows for quick and hassle-free installation, saving time and ensuring a secure fit.
- **Two Variants Available:** Choose between Standard and Microwave Sensor variants to meet the specific needs of any environment.
- **Supplied with White Bezel:** Comes with a sleek white bezel as standard, blending seamlessly with various decor styles.
