## Features

- Modern Minimalist Design** : The modern hanging pendant light, available in striking geometric shapes—including hexagonal, square, triangular, and Y Shape—adds a creative and stylish touch to your space. Designed to bring a unique and contemporary atmosphere, this LED ceiling light is perfect for a kitchen island, study, living room, dining room, or office. With multiple shapes to mix and match, you can customize combinations to suit your style, offering endless creative possibilities.

- **Adjustable and Flexible Hanging Installation:** You can adjust the hanging pendant light according to the ceiling height.
- **Elegant Design:** With its single-head industrial, simple modern style, this lighting fixture will infuse a contemporary vibe into your space, creating a warmer and more welcoming atmosphere.
- **Application Places:** The minimalist LED chandelier is suitable for various settings such as the dining room, living room, office, hotel, staircase, foyer, hallway, and more. It offers a charming ambiance with bright lighting.
