Description

The ENER-J Hygiene Pro Smart Toilet Bidet is a revolutionary wall-mounted unit that blends luxury, hygiene, and intelligent technology. With a minimalist design and rich functionality, it provides an unparalleled personal cleansing experience for modern homes.

Features:

- ▶ **Auto Lid & Foot Sensor Activation** – Automatically opens and closes the lid and activates flush, seat, or cleansing functions via foot sensor for a truly hands-free experience.
- ▶ **Instant Heating with Adjustable Temperatures** – Automatically opens and closes the lid and activates flush, seat, or cleansing functions via foot sensor for a truly hands-free experience.
- ▶ **Comprehensive Cleansing Options** – Includes hip wash, feminine wash, massage spray, baby wash, and self-cleaning nozzle—tailored for individual comfort.
- ▶ **Built-in UV Sterilisation & Aromatherapy** – Ensures a hygienic experience with UV light sterilisation and a relaxing atmosphere with integrated aroma diffuser.
- ▶ **Smart Voice & Remote Control** – Operate your toilet hands-free via voice commands or use the multi-functional remote and one-touch knob.
- ▶ **Ambient LED Lighting & Music** – 256-colour ambient lighting and built-in music playback enhance your bathroom's mood and user experience.
