PIR Sensor Outdoor LED Wall Light

3000K
Warm White

IP65

4-6m
Sensing Distance

2 Years
Warranty

Product Overview

The ENER-J PIR Sensor Outdoor Wall Light range combines modern architectural styling with smart motion sensing functionality for enhanced outdoor security and decorative lighting.

Featuring integrated PIR motion sensors, warm white illumination, and durable IP65 weatherproof construction, these wall lights are ideal for residential and commercial outdoor applications.

Perfect for:

- House entrances
- Garden walls
- Pathways & walkways
- Hotels & hospitality
- Commercial buildings
- Security lighting applications

Features

• Built-In PIR Motion Sensor

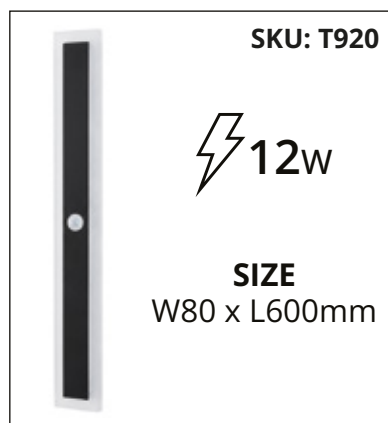

Integrated infrared body sensing probe automatically activates the light when motion is detected, improving convenience, security, and energy savings.

• IP65 Waterproof Protection

Designed for reliable outdoor use with durable weather-resistant construction suitable for rain and harsh outdoor environments.

• Warm White Architectural Lighting

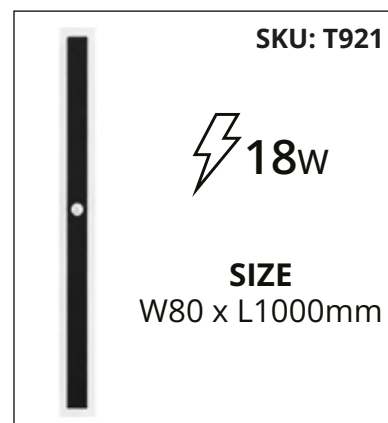

Elegant 3000K warm white illumination creates a modern ambient lighting effect ideal for contemporary outdoor spaces.

SKU: T920

12W

SIZE
W80 x L600mm

SKU: T921

18W

SIZE
W80 x L1000mm

- **Energy Efficient LED Technology**

High-performance SAN AN LED chips deliver excellent brightness with low power consumption.

- **Modern Slimline Design**

Minimalist vertical design with premium iron and acrylic construction complements modern homes and commercial buildings.

Technical Specifications

Sensor Type	Infrared Body Sensing Probe
Input Voltage	AC100-240V
Sensing Angle	110°
Sensing Distance	4-6m
Time Delay	40 Seconds ±10 Seconds
Product Opening	26mm

SKU	T920
Model	B8128
Product Type	Outdoor LED Wall Light with PIR Sensor
Colour Finish	SBK (Sand Black)
Colour Temperature	3000K
Size	W80 x L600mm
Material	Iron + Acrylic
Wattage	12W
IP Rating	IP65
LED Chip	SAN AN
Warranty	2 Years

SKU	T921
Model	B8129
Product Type	Outdoor LED Wall Light with PIR Sensor
Colour Finish	SBK (Sand Black)
Colour Temperature	3000K
Size	W80 x L1000mm
Material	Iron + Acrylic
Wattage	18W
IP Rating	IP65
LED Chip	SAN AN
Warranty	2 Years

Box Contents

T920

- 1 x 600mm PIR Sensor Outdoor LED Wall Light
- Integrated Motion Sensor
- Mounting Accessories
- Installation Instructions

T921

- 1 x 1000mm PIR Sensor Outdoor LED Wall Light
- Integrated Motion Sensor
- Mounting Accessories
- Installation Instructions

Applications

Suitable for:

- Outdoor entrances
- Garden feature lighting
- Balcony walls
- Building façades
- Hotels & restaurants
- Security perimeter lighting
- Modern architectural projects
